**I'm Ron Burgundy**

By the beard of Zeus,

I don't know how to put this, but I'm kind of a big deal. People know me. I'm very important. I have many leather-bound books and my apartment smells of rich mahogany.

I knew from a very early age that I would be a News Anchorman. I had great hair, for one, which is 70 percent of the job. I also had the pipes.

I don't often talk about it because I don't like to brag but I am a real patriot. I you don't love this country you need to go and spend a half an hour in Canada or Mexico. Here's two countries, literally right next to us, that really blew it.
